

FOOTNOTES TO SECTION 920

(Explanations on how to use the post classification and payment tables are included in section 910 of these regulations)

a – effective APRIL 23, 2000  
b – effective MAY 07, 2000

c – Changes were effective on both of the above dates. The allowance or other revision printed in this Section 920 was effective 05-07-00. The changes effective 04-23-00 are listed at the end of these footnotes.

d -No current cost information is available as all U.S. Government employees are in Government owned or leased housing. Any US Government organization with employees eligible for the LQA should submit housing cost information to the Department of State as required by Section 072 and 077 of these regulations. Until more suitable housing cost information can be used to establish LQA rates for the locality, the following LQA rates are authorized:

LQA GROUPS		2	3	4
	WF	10300	9400	8500
	WOF	9900	8500	7500

e -These LQA rates are established for the benefit of only a few or no current employees and therefore do not necessarily represent overall local quarters costs. (See Sections 072 and 077 for information on the reporting of housing cost data.)

g -The following are within the Tokyo-To (Kanagawa-Ken) area: Atsugi, Camp Zama, Fussa, Machida-Shi, Sagamihara, Tachikawa and Yokota AB.

h -When payment is made directly to a DOD school rather than as an education allowance to the employee, such payment must be considered to be in lieu of the education allowance. Thus, an employee whose child changes schools (DOD school, local school, U.S. school) during a school year, must deduct any payment made, or to be made, directly to the DOD school on the child's behalf from these rates. An employee cannot be granted or have paid on his/her child's behalf, an amount greater than the rates published for any one school year.

m -The 'away from post' rate of \$32,300 is for use only in attending schools located outside of South Africa. The school 'at post' rate may be used in attending day or boarding schools in South Africa.

n -In lieu of any other differential authorized by these regulations, an employee who serves for a period of 42 consecutive calendar days or more on detail (Section 511d) at one or more places in the following location may be granted the post differential at the prescribed rate for the number of days served at each place, beginning with the first day of detail: None.

p - In addition to the listed post differential rate, employees are eligible for danger pay allowance, DSSR (652f), as shown below:
